On November 21, 2025, at approximately 10:38 p.m., I, Sgt. Chris Wieland, heard officers over the radio initiate a vehicle pursuit in the area of West 32nd Avenue and South Plum Street. I advised that I would be monitoring the pursuit. Officers continued to provide updates over the radio. A short time later, I heard officers advise that the rear passenger was attempting to flee from the vehicle on foot. Moments later, officers broadcast that shots had been fired. I then instructed MECA to initiate a Code 1100 "Officer Needs Assistance."

Upon arriving at West 27th Avenue and South Hickory Street, I learned that the fleeing rear passenger, later identified as Jeremy Lawrence Jr., had fled on foot while carrying a firearm. I was informed that Lawrence pointed the firearm at officers, causing them to return fire. The involved officers were later identified as Officer Derek Johnson, Officer Corey Lowery, and Officer J. Williams.

Officer Corey Lowery had visible blood on him from rendering aid to Lawrence. I requested MECA to dispatch a Crime Scene Technician. Crime Scene Tech C. Lindeberg responded and photographed Officer Lowery.

The Arkansas State Police Criminal Investigation Division (CID) was notified, responded to the scene, and assumed the investigation.

I transported Officer Lowery, Officer Johnson, and Officer Williams to the Pine Bluff Police Department. Upon arrival, Officer Lowery washed his hands. All three officers removed their gun belts, which were secured by me, and a chain of custody form was completed. The gun belts were later turned over to ASP CID Corporal Bullard through the established chain of custody.

	BROWN, JEREMY 086424	WIELAND, CHRISTOPHER 086307		WOOD, TIFFANY 088252	

On November 21, 2025, I, Lieutenant Jeremy Brown, responded to the area of 27th Avenue and Hickory Street in reference to a vehicle pursuit that turned into an officer-involved shooting. Upon arrival, I was directed by officers on scene that the suspect who was struck by gunfire was in the backyard of a house between 27th and 28th Avenue. I walked to the back and saw a black male on the ground who sustained several gunshot wounds to his upper leg/thigh area. The male was identified as Jeremy Lawrence Jr. Officers were placing tourniquets on his legs to stop the bleeding. I then advised MECA to initiate an officer-involved shooting call-out and proceeded to secure the scene for the Arkansas State Police, who were taking over the investigation. Once the officers involved in the shooting were transported from the scene, I went to retrieve officer J.L. Williams unit that was parked near the back yard of a house on the opposite side of the street. I was backing the unit up when Sergeant Wieland advised me that the officers had fired their weapons from inside the unit. I immediately parked the unit back in the backyard, where it was located before I moved it. The dash camera inside the unit was on and recording during this action.

	DICKSON, KEENAN 088995	STEVENSON, JACQUELINE 085060		WOOD, TIFFANY 088252		

On November 21, 2025, at approximately 2223 hours, I, Officer Keenan Dickson, along with Officer Richard Carreno, responded to a report of gunshots in the area of 1400 W. 32nd Avenue.

Upon arrival, I observed a blue Ford Escape approach and drive into the active crime scene of shell casings that were reported during the gunshot call. The vehicle matched the description of the gunshot call with three black males. Officers Swopes and Johnson gave verbal commands for the vehicle to stop; however, the driver disregarded those commands and continued driving northbound on South Ash Street. The vehicle nearly struck Officer Swopes. Officer Johnson then advised via radio that there was a gun inside the vehicle. At that point, Officer Carreno and I initiated a traffic stop on the vehicle using emergency blue lights and sirens.

The vehicle disregarded a stop sign at South Ash Street and West 31st Avenue and fled the scene, continuing eastbound on West 31st Avenue, then turning north onto Linden Street. While fleeing, the driver operated the vehicle at speeds well above the posted speed limit reaching speeds in excess of 50mph in a 35mph zone. The driver then made a westbound turn onto West 27th Avenue. During the pursuit, I observed the rear passenger attempting to open the door as if preparing to exit the moving vehicle and flee on foot.

The vehicle eventually came to a stop in front of 1803 W. 27th Avenue. As soon as the vehicle stopped, the rear passenger, later identified as Jeremy Lawrence, exited and fled on foot. While fleeing, Mr. Lawrence had a gun, running northwest behind the residence. As Mr. Lawrence went behind the residence, I could hear multiple gun shots. Mr. Lawrence then ran back south on the westside of the residence.

I drew my service weapon and ordered the driver and front passenger to remain still and not move. The driver was identified as Quinton Washington, and the front passenger was identified as Jerry Pitts. Both subjects were removed from the vehicle and placed in hand restraints.

Mr. Washington was transported to Dub Brassell Detention Center and charged with the following:

5-54-125: FLEEING-VEHICLE OR CONVEYANCE-EXCEEDING THE POSTED SPEED

V																

On November 21, 2025 at approximately 2030 hours, I, Officer Richard Carreno, was patrolling the area of S. Olive St. and East Harding Ave., with Officer Dickson as a two-man unit. While assisting with a domestic call, we heard multiple gunshots south of our location. Officer Derek Johnson canvassed an area where multiple calls reported as a possible shooting area. As we got closer to Officer Johnson's location, he advised that there were multiple spent brass in the area of West 32nd Avenue and S. Plum St.

Upon arrival at Officer Johnson's location, I observed a blue SUV approach the intersection traveling north on S. Plum St. Officer Swoopes and Officer Johnson gave the driver of the SUV several commands to stop driving, as they were going through an active investigation scene. I heard one of the officers say an occupant had a gun. The vehicle disregarded commands from the officers to stop and began to flee north on S. Plum St., almost striking an officer in the process.

I activated my blue emergency lights and sirens and advised for Officer Dickson to call out our pursuit. Several officers were in the area who joined the pursuit. The SUV traveled north on S. Plum St., then east on W. 31st Ave., turned north on S. Linden St., then begin traveling west on W. 27th Ave. The vehicle began traveling at speeds greater than 50 mph in a posted 35 mph zone. At one point, the vehicle began to slow down, and I observed the rear driver door open, as an individual prepared to bail out on foot. The vehicle began accelerating again and the door was closed.

We continued the pursuit passing S. Plum St. I maneuvered my unit to the driver side of the vehicle to pin the driver side doors, should the individual attempt to flee again. The vehicle came to a stop and an unknown black male fled on foot from the right rear passenger door. The suspect ran in between two houses on the north side of the street. Myself, Officer Dickson, and Officer Swoops exited our units and held the front driver and passenger at gunpoint. Officers Williams and Lowery, who were also riding as a two-man unit, drove in between the homes continuing to pursue the unidentified male.

As a vehicle approached the homes, the unidentified male began to fire numerous rounds, presumably at the approaching officers. A few seconds later, officers began returning fire as gunshots were exchanged behind the house. While continuing to hold the other two individuals inside of the vehicle at gunpoint, I observed the suspect flee south across W. 27th Ave. with a pistol in his hand as officers pursued close behind.

As the suspect fled behind homes on the south side of the street, more rounds were fired. Officer Johnson began to ask for medical assistance. I grabbed a medical kit from my unit and ran towards the area where the officers were.

Upon arrival, I observed the suspect with multiple gunshot wounds to his lower body. Officer Johnson and Officer Jesse Smith were applying tourniquets to the suspect. Soon after, medical arrived on scene.

The contact was recorded on Motorola bodycam BWL7-283 and Pine Bluff unit 283.

On Friday, November 21, 2025, at approximately 2238 hours, I, Officer C. Yancey responded to an officer needs assistance call in the area of West 28th Avenue and South Hickory Street where shots had been fired. I drove with vehicle lights and sirens to the scene.

Upon arrival, I located the officers in the back yard of a residence with a black male laying down appearing to have been shot. I applied my tourniquet to the males right leg, placing it high and cinching it down tightly in an effort to stop the bleeding from his right leg.

I stood by and assisted with maintaining the crime scene until state police arrived and took over.

On November 21, 2025, at approximately 2236 hours, I responded to the area of 28th Avenue and Hickory Street in reference to a Code 1100. Once on scene, I assisted in rendering aid to Mr. Lawrence. I observed Lawrence to have several gunshot wounds to both legs and observed blood exiting wounds under a tourniquet. I then retrieved my tourniquet and applied it as an additional means to stop the bleed. After EASI Ambulance Service arrived, I then began scene security, and evidence preservation from the 28th Avenue side of the crime scene. I remained on scene until I was relieved by the oncoming Officers at 0700 hours.
