SUBJECT: Library Media Selection Materials and Epic Platform Books

---

This is to inform you that following a further review of our revised Library Materials Selection Policy 5.07, and the recommendation of the Library Selection Committee, since no formal complaint has been filed regarding restricting access to certain book titles on the Epic! Digital Reading Platform we are not required to block access to them.

Effective immediately, teachers are no longer required to restrict access to these titles on the Epic! Reading Platform. If you were not employed by the district last year and therefore did not remove access to books on www.getepic.com, then no action is required.

As always, the district remains committed to honoring our established policies and procedures for instructional and library materials. If an individual has concerns regarding a specific title and wishes to request its review, a formal complaint must be submitted following the official NLRSD process for each individual title in question. Please click on the following link to access the Library Materials Selection Policy 5.07.

We appreciate your professionalism and ongoing dedication to our students. If you have any questions please contact Mrs. Carmen Langston, Coordinator of P-12 Reading, Literacy,& English Language Arts by phone at 501-252-1015 or by email at langstonc@nlrsd.org.

The North Little Rock School District is an Equal Opportunity Employer.
