Re: *John C. Forte v. Jacksonville Police Department  
and Municipal League WC Trust  
Workers' Compensation Commission No. F903084*

Dear Sheryll;

Ofc. Forte was notified earlier today, by Capt. Jenkins of the Jacksonville Police Department, that Ofc. Forte was to report to Dr. Robert Doyle on July 14, 2009 at 9:30 for a "second opinion."

Ofc. Forte has already seen four health professionals, two of which he was referred to by the Jacksonville Police Department and Doctors Roberts, Cook, Harris and Oldham have all come to the same diagnosis.

With that in mind, I really do not see a need for Ofc. Forte to go through a parade of providers for the convenience of his employer when there appears to be no legitimate purpose in doing so.

LETTER OF 30 JUNE 2009

If a "second (fifth?) opinion" is necessary, Ofc. Forte would like to assert his right to seek treatment by the health care provider of his choice.

I ask that you give me a call so we may discuss this issue and hopefully come to a mutually amicable resolution.

Very truly yours,
