from all *Report* tabulations.

⁵ Because of changes in the state/local agency's reporting practices, figures are not comparable to previous years' data.

⁶ Complete January through December data for 2008 are not available.

⁷ The data collection methodology for the offense of forcible rape used by the Illinois and the Minnesota state UCR Programs (with the exception of Rockford, Illinois, and Minneapolis and St. Paul, Minnesota) does not comply with national UCR Program guidelines. Consequently, their figures for forcible rape and violent crime (of which forcible rape is a part) are not published in this *Report*.
