

We, Lee Goemmer, Bobby Stevens, Keith S • Todd Winesburg and Terry Cobb, offer our expression of profound regret to the family of bby Ioe Rylee over their tragic loss following his arrest on July 15, 2006. We are indeed very sorry that this incident resulted in Mr. Rylee's passing and it is our sincere hope that all of the amES can now move forward in the knowledge that important steps have been taken to prev t an unfortunate incident such as this from ever occwring in the future. More specifically, e Russellville Police Department has placed video cameras in all of its vehicles which are re arly used for patrol, and is committed to placing cameras in all of its vehicles. Additionally, a .ot program. is in place to explore the use of body cameras on individual officers. Further, as a result of this incident, the Russellville Police Department use of force reporting policy has be amended. Now, in all incidents in which an arrestee complains of iqjury, a supervisor is .spatched to the scene and medical assistance is summoned regardless of the perceived severit of the injury.
