RE: Application Materials of All Current Candidates

I am enclosing for your review the application materials for all fourteen candidates in our presidential search. The materials for thirteen of these candidates were reviewed at the Search Advisory Committee meeting held today, and the application letter and resume for the fourteenth, Donald A. Edwards, arrived electronically during the time the committee was meeting. These latter items have not yet been reviewed by the committee or released to the public.

Based upon the discussions during the meeting, I have invited two candidates to the first round of interviews to be held at the System Office in Jonesboro on October 13, 2010. The candidates, both of whom have accepted invitations to interview are:

Dr. Richard Federinko
Dr. William Richardson, Jr.

The committee and I approved a third candidate to interview, but Dr. Meredith has not been able to reach him to obtain his permission to move forward with scheduling an interview for him, although he may be added at a later date.

Please call if you have questions.
