Subject: Board Funds

Rush,

President Hardin asked that I send you the following information. We presently have \$292,000 in the board auxiliary account. June 1, we will have an additional \$300,000 in that account for a total of \$592,000. The account replenishes itself through the normal budget process, but it is impossible to predict exactly. However, it would be possible to have a similar amount after 12-18 months. There is greater latitude than in E&G (Education & General) accounts. For example, Win Thompson's \$500,000 buyout came from this fund. I will be happy to gather any further information you may need.
