UAPB Faculty, Staff and Students

I sincerely appreciate the opportunity which I was provided over the years since 1961 to serve as Instructor, Assistant Professor, Associate Professor and Professor of Mathematics and Physics at A.M. & N. College and the University of Arkansas at Pine Bluff. The support which I received from various stakeholders as I served as Department Chair of Mathematics and Physics for two years; Dean of Arts and Sciences/Science and Technology for fifteen years and as Chancellor of UAPB since November 5, 1991 was a source of great motivation.

Over these years with limited resources I served to the best of my ability. However, I am now anticipating the realization of other aspirations. Consequently, I am resigning my position as Chancellor of UAPB effective May 25, 2012.

Best wishes,

Lawrence A. Davis, Jr.
