**RE: Letter Agreement Regarding Faulkner County Road Police Weapons and Ammunition**

Chief Spencer:

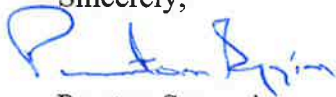

The weapons, ammunition, and equipment currently owned and possessed by Faulkner County Road Police will not be needed by that entity in the short-term, and perhaps will not be needed in the long-term. I have determined that it is in the best interest of Faulkner County that these items be in the possession, control, and use of the Damascus Police Department, consistent with your letter to me in which you identified a need for additional equipment:

By placing these items in the possession, control, and use of the Damascus Police Department, the items will be under law enforcement control, will be maintained, and will benefit citizens of Faulkner County, albeit benefitting the citizens of Damascus, as well.

By our signatures hereinbelow, we mutually agree that any and all weapons, ammunition, and equipment that are possessed by the Faulkner County Road Shop are hereby granted to the Damascus Police Department for its use in protecting the public with the mutual understanding and agreement that should these items no longer be of value to the Damascus Police Department they shall be returned to the Faulkner County Road Police, and/or in the event that the County determines that the items be needed by the Faulkner County Road Police, the items shall be returned to the Faulkner County Road Police.

Further, we mutually agree that the items will be maintained by the Damascus Police Department in accordance with standard care and maintenance.

Sincerely,

Preston Scroggin  
Faulkner County Judge

ACKNOWLEDGED AND AGREED:

Preston Scroggin  
Faulkner County Judge

Chief of Police

Randy Spencer

---

Judge Scroggins, I am writing you this letter in hopes that your office if possible would be willing help the Damascus Police Department in obtaining patrol rifles for our agency. As you know we are a small agency with limited funds when it comes to buying equipment and in this day and age as police officers we could use any items available to better serve the public. We have two banks in town and Southside school within a mile of our city and would be the first ones on scene if there ever was an active shooter at the school. We have a total of four officers in our department, and plan to hire more in the future. As the Police Chief I would like to submit an official request to you for any help you can give in this matter, and further more would like to thank you and your office for the great things you have done for Faulkner county.

Thanks, Chief Randy Spencer
