Dr. Mary Good, Chair  
Little Rock Technology Park Authority  
c/o Little Rock Regional Chamber of Commerce  
One Chamber Plaza  
Little Rock, Arkansas 72204

Dear Dr. Good:

The Engineer's Report speaks for itself. Taken in addition to my comments made in my letters dated September 28, 2012 and January 2, 2013, the 3 remaining sites are questionable at best for the development of the proposed park.

Accordingly, I recommend looking for a more appropriate development site.

Cordially,

Charles D. Dilks
