Dear Chris,

I recently became aware that you created 'Citizens for Technology PAC' and designated me an officer. I was unaware you had done this. No notification of this action was ever given me. Further, when funds were raised, no one informed me. When funds were distributed, no one informed me. I have never received any reports of any sort. I have never been aware of any activities of this organization.

Please immediately remove my name as officer of the 'Citizens for Technology PAC' and any other PACs where my name appears. I would appreciate a written acknowledgment from you once this is accomplished.

Thanks for your help in this matter.

Sincerely,

Ancil Lea, III
