It has come to my attention that you may have items (brick pavers) of city property at your residence at #6 Dearhurst Road. I request that you return said property to the city by 5pm November 18, 2014. Additionally, please confirm receipt of this email and contact Steve Glass to make arrangements for returning the brick pavers.

Yes I do. Frankie gave them to me in 2011. He said they were throw aways and in the way. I dug through a crumbled pile for some. But if you're saying Frankie didn't have the authority to get rid of them, I'll gladly bring them back. I would respectfully request more time however, as I have to dig them up and the ground is frozen.
