

Situation Summary:

Pet and Resp are married and currently share 2 children together. At approx. 11pm on March 29, 2015, Pet and Resp's son stopped breathing in his sleep. 911 was called and he was taken to the hospital where he was pronounced dead early in the morning on March 30, 2015. Bella Vista PD has been investigating, and they have stated the boy died from internal injuries caused by rape. The children are home schooled and they went camping as a family the weekend before his death, so Pet believes Resp is the only man who had access to their son for an extended period of time on the days leading up to his death. Pet has left the home for a safe location, and their two daughters are in CPS custody. Resp has told Pet in the past if she ever leaves, he will hunt her down. Pet heard from a neighbor on 4/1/15 that Resp has been roaming their neighborhood and circling Pet and Resp's house while holding a "big stick." In the past, Resp has told Pet he will bury her in the backyard, and he has pulled Pet's hair out of her head. Resp calls their daughters "fat," "lazy," and "little bitch." Resp once pushed Pet into the wall so hard it caused the dry wall to break. Pet is extremely afraid of Resp and what he will do to her and their daughters.
