Title: INFORMATION REPORT

Report Type: I

Date Entered: 3/31/2014

On 03/31/2014, I responded to 4120 W. Maddox Road in reference to a suicide attempt. The caller, Larry McElroy, stated that his wife, Misty Chambers, went into the bathroom with a knife and was threatening to hurt herself. Upon my arrival, I located both parties outside the residence. I first made sure that Ms. Chambers didn't have a knife and she didn't. I then spoke to Ms. Chambers about the incident. Ms. Chamber stated at no time did she have a knife or made any statements about wanting to hurt herself. Ms. Chambers said that she and Larry had been arguing over money problems. Ms. Chambers said she went into the bathroom to get away from Larry.

I went to talk with Larry about the incident. Larry stated that he and Ms. Chambers had been arguing about money problems. I ask Larry about her having a knife. Larry initially stated she had a knife in the bathroom. He then changed his mind and thinks there's a knife in the living room. Larry then stated he wasn't for sure if Ms. Chambers had a knife at all.

Both parties wanted to stay and talk their problems out. I gave them the report number and advised to call back if they needed anymore assistance.
