Report Type: I

On January 22nd 2015 at 2359 hours Deputy Akins was dispatched to 4120 West Maddox Road to assist a citizen.

When Deputy Akins arrived, Larry McElroy approached him and explained he had purchased a "bug" locator from Ebay. Mr. McElroy stated he used the bug locator to scan his television, stereo and chandelier. Mr. McElroy stated he found three spy devices on his electronics and chandelier. Mr. McElroy stated he believes the responsible parties are General N. B. Forrest and Colonel Sanders from the Little Rock Air Force base.

Mr. McElroy was advised the likelihood of this being factual was pretty slim, however he demanded the events be documented for his safety.

He was provided with his report number.
