Dear Chancellor Cole:

Please accept this letter as my notice of resignation from the position of Executive Director of Arkansas Community Colleges effective October 31, 2018. As has been the policy for previously departing ACC leadership and as you have agreed, the value of the balance of my annual and sick leave will be paid to me on or before the effective date of my resignation.

Thank you for the opportunity to lead the community college association over the last five years. I have appreciated and enjoyed the relationships and the friendships formed during my time at ACC. Best wishes to you and the board in your future endeavors.

Sincerely,

Bill H. Stovall, III
