MOTION TO DISMISS OR, ALTERNATIVELY, TO SUPPRESS EVIDENCE

Defendant, for his motion to dismiss or, alternatively, to suppress evidence, states:

1. The indictment in this case should be dismissed with prejudice because of governmental misconduct and violations of defendant’s fundamental constitutional rights.

Alternatively, evidence obtained as a result of an illegal search and seizure should be suppressed.

2. The basis for this motion is set forth in the brief in support of the motion which is incorporated by reference.

3. This motion is supported by Exhibits 1 to 14. The exhibits are not being filed with the motion pending guidance from the Court regarding whether the exhibits should be filed under seal since they are the subject of a protective order. Defendant is filing a separate motion seeking guidance from the Court on this issue.

Wherefore, defendant prays that his motion to dismiss or, alternatively, to suppress evidence be granted.

Respectfully submitted,
