RE: City of Bethel Heights
State No-Discharge Permit No. 4725-WR-5, AFIN 04-00630

Dear Mr. Ward:

In response to your inquiry, the City of Bethel Heights (Bethel Heights) is not in compliance with Permit 4725-WR-5. ADEQ sent a letter to Bethel Heights on May 6, 2019 requesting that Bethel Heights provide to ADEQ a corrective action plan (CAP) to address its noncompliance.

ADEQ's May 6, 2019 letter to Bethel Heights also referenced the issues identified during ADEQ's February 2019 inspection and the permit violations reported by Bethel Heights. ADEQ's May 6, 2019 letter and the report for ADEQ's February 2019 inspection are attached.

ADEQ requests that the City of Springdale consider not adding any new water service connections to Bethel Heights until Bethel Heights has addressed these issues and is in compliance with Permit 4725-WR-5.

Should you have any questions concerning this matter, please contact me at 501-682-0640 or healeyr@adeq.state.ar.us.

Sincerely,

Richard C. Healey
Enforcement Branch Manager
Office of Water Quality
