WHY WE DO NOT POLICE BASED ON POPULATION DEMOGRAPHICS

- Assumes only Fayetteville residents are subject of law enforcement actions (Citations and Arrests)
- Would require a “Quota” based on demographics
- Assumes population offends at the same rate (e.g. Males vs. Females)
- Assumes Census numbers are accurate and not outdated
 - Fayetteville School District Student Demographics
 - 68 % Caucasian
 - 32 % Minority

Citation vs Arrest

- In 2014, Judge David Stewart authorized FPD officers to issue citations for Class A Misdemeanors.
- Benefits of citation versus arrest.
- Common offenses for criminal tickets are shoplifting, misdemeanor marijuana, possession of drug paraphernalia, possession of fraudulent identification, and warrants.
- In 2018, FPD issued 1,103 criminal citations in lieu of arrest.
 - 154 Misdemeanor Marijuana Only

Misdemeanor Marijuana Arrest Rate

In 2008, 35 Marijuana arrests and a population of 73,999

$35/73,999 = .00047 * 100,000 = 47$ per 100,000 population

In 2018, 38 Marijuana arrests and a population of 84,726

$38/84,726 = .00045 * 100,000 = 45$ per 100,000 population

*Population based upon 2018 FBI UCR Estimate
