

**Arkansas Division of Public School Academic Facilities and Transportation  
2021-2023 Academic Facilities Partnership Program Projects - Sorted by Project Ranking**

The State Financial Participation indicated on this list constitutes the Total State Financial Participation as calculated using information contained in the application. The Final State Participation will be determined in accordance with the Rules Governing the Academic Facilities Partnership Program and will consist of the lessor of the State Financial Participation as determined and included in the Partnership Agreement or the actual construction cost. The Division reserves the right to adjust the final State Financial Participation in accordance with the partnership Program rules.

A Partnership Program Project Agreement for each approved and funded project must be executed by the school district and the Division within 60 days of the Commission's funding. The project must be under construction, as evidenced by a signed construction contract within 18 months from the Commission's funding and must be completed, final Division construction inspection and final payment request submitted within four(4) years of the Commission's funding.

School districts wishing to appeal a determination on this project list must do so in accordance with the Rules Governing Appeals from Determinations of the Arkansas Division of Public School Academic Facilities and Transportation dated December 31, 2018.
