#### **Online Tuition**

UAMS received approval to offer a standard tuition at in-state rates for UAMS-designated 100% online programs beginning with the fall 2019 semester. Non-degree seeking students taking a single online course would be included in the in-state tuition rate.

The <u>College of Medicine</u> is requesting a 0% increase in base tuition (including no increase in the fees that were rolled into tuition for the FY17-18 year). Since 2015, our tuition has increased such that we now exceed the national median tuition for public schools. We are at about the 50th percentile for US public schools and we are well above the regional median. Given the concerns about increasing student debt and our past citation from the LCME concerning such debt, our recommendation is that we aim to return to the 25th percentile among US public schools, or at least to the regional mean/median.

The <u>College of Nursing</u> is requesting no increase in resident or non-resident tuition and fees for the undergraduate and graduate programs. These recommendations will continue to keep tuition competitive with other nursing programs in the State and the Southern Region. When compared to other nursing colleges in Arkansas and the southern region, the BSN program is only slightly above average while the graduate programs are below average in annual cost.

The <u>College of Pharmacy</u> is not requesting an increase in tuition for FY21-22 in order to help stabilize declining enrollment.

The <u>College of Health Professions</u> is proposing a 0% increase in tuition for graduate and undergraduate programs for FY21-22, as we increased tuition for undergraduate and for the Physicians Assistant programs in FY2020. When tuition is compared to other programs in Arkansas the CHP programs are currently above average.

The <u>College of Public Health</u> is requesting no change in tuition for FY21-22. In comparison with 16 comparable schools of public health across the U.S., the Fay W. Boozman College of Public Health remains in the second quartile. Very few of the other comparable colleges have increased their tuition during the last year. The Boozman College of Public Health needs to stay competitive with those schools.

The <u>Graduate School</u> is not requesting an increase in tuition for FY21-22. Rates are competitive within the region with the Graduate School being in the median for regional peer comprehensive academic health centers.

<sup>1</sup> The Student Health Fee is not charged to students enrolled in UAMS-designated 100% online programs and is not charged for summer semester.

Page 5 of 7 UAMS

<sup>2</sup> The Student Transportation fee is not charged to students enrolled in UAMS-designated 100% online programs. For each term, students enrolled in programs on the Northwest campus will not be charged. Summer session rate is \$39.

<sup>3</sup> The UAMS Technology Fee is charged to all students with the exception of students enrolled in UAMS-designated 100% online programs. They are charged one-half of the standard rate. This fee is not charged for the summer semester.

- 4 Undergraduate students taking less than 6 hours and Graduate students taking less than 5 hours will not be charged. The fee is not charged for summer semester. Students enrolled in UAMS-designated 100% online programs will be charged one-half of the standard rate.
- 5 The Student Activity fee is not charged to students enrolled in approved, UAMS-designated 100% online programs. It is not charged for summer semester.
- 6 This fee is charged to students actively engaged in a UAMS degree program but not enrolled in creditbearing courses/activities, are preparing to fulfill graduation requirements and/or awaiting completion of final licensure tests.
- 7 The following fees were included within the COM tuition rates starting Fall of 2017: Disability Insurance (\$26/sem), Malpractice Insurance (\$188/sem), Standardized Patient Fee (\$170/sem) and Curriculum Assessment Monitoring Fee (Exam Software) (\$35/sem). Total = \$419/semester; \$838/year
- 8 In addition to non-degree seekers, a one-time application fee is charged to all College of Medicine applicants.
- 9 In Fall 2019, the College of Medicine instituted a fee to students during their M1 and M2 years for mandatory course study materials. These materials are provided to students at a reduced institutional rate.
- 10 The College of Nursing Graduate Program Fee is a generic fee that replaced the Advanced Health Assessment fee previously charged to the graduate students enrolled in the Advanced Health Assessment course. The \$300 fee is to be spread across the program (\$50/semester for 6 semesters). Additionally, \$15 is included in this fee to cover the cost of Typhon, a nurse practitioner student tracking software. This fee is charged every fall and spring semester to students enrolled in graduate programs.
- 11 The College of Nursing application fee reduced from \$100 to \$50 as a result of many programs moving to NursingCAS, which charges an application fee as well.
- 12 The College of Nursing Progression Test fee includes the cost of ATI, ExamSoft, and Nursing Central for the BSN students. The fee should be charged every fall and spring to students enrolled in the BSN program.
- 13 Although not a fee, this deposit is due upon acceptance, as a reservation of enrollment prior to actual registration. It is non-refundable, but will be applied to the first semester tuition if the applicant enrolls within a year.
- 14 The Anesthesia Professional Liability Insurance/Student Liability Insurance is provided to students only by the American Association of Nurse Anesthetists (AANA). The needed liability insurance for CRNAs is more comprehensive in the variety of anesthetizing locations in which they will gain clinical experiences.
- 15 The Pre-NAPLEX Exam fee for only 4th year students is to cover the cost of the Pre-NAPLEX exam course.
- 16 The NAPLEX Prep Course fee is a fee spread out over the duration of the program to cover the cost of an externally provided prep course to improve NAPLEX pass rate. The fee is increasing to \$65 per semester to cover the RxPrep contract terms for a fee increase per student. The contract was signed in May 2019 and will end in 2022.

- 17 Immunization Training by APhA is required by most state Boards of Pharmacy to administer immunizations. This training is during the P1 year. This \$25 fee increase is necessary to cover the July 1, 2021 cost increase.
- 18 The Professional Development Fee is used to subsidize the current Student Activity Fee funding of professional development activities specific to the COP students.
- 19 The Simulated Electronic Medical Record (EMR) licenses are purchased for all P2 and P3 students at an annual cost of \$60/license. The cost is spread over four (4) years.
- 20 Laboratory fees in the College of Health Professions are set on a credit hour of enrollment basis with the following exceptions: (a) Physical Therapy charges a \$125 lab fee during the fall and spring terms. (b) Physician Assistant Studies charges a laboratory fee of \$125 for summer, fall, and spring terms.
- 21 The Student Liability Insurance in the College of Health Professions covers students in a wide range of programs. The higher liability for students in the physical therapy program is reflected in their malpractice insurance fees. For FY22, students in Physician Assistant Studies will not be charged for malpractice coverage.
- 22 The College of Health Professions sets the Standardized Patient Fee amount based on required usage of standardized patients.
- 23 The Respiratory Therapy 'voucher' fee provides funding to the student when it is time to sit for his/her registry exams while still in school. With the voucher, the student would only need to enter a code in order to sit for their exam.
- 24 The Credit by Examination fee would apply to College of Health Professions courses for which a student demonstrates competency or equivalency in the subject matter. This would be similar to a CLEP exam. The fee for Credit by Examination would be 1/2 the per credit hour rate of the course in which the student is seeking credit.
- 25 Starting in FY22 student graduation regalia will be ordered by and shipped directly to the student with guidance by the University Registrar's Office. The graduation fee is being reduced by the average cost of regalia since students will now purchase their own directly. Shipment of regalia directly to the students occurred for May 2020 and was well received.
