

STORY OF THE BRAINERD MISSION

Heroism and Thrilling Incidents Marked the Efforts to Enlighten the Indians at Old Bird's Mill Post.

A little over a hundred years ago a mission for the Indians was established at what is now known as Old Bird's Mill Post, which is located about a mile and a half from the town of Chattanooga. The mission was founded by the Rev. John Brainerd, who was a member of the American Board of Commissioners for Foreign Missions. The mission was founded in 1818, and it was the first mission of its kind in the South.

Journal of the mission at Creek Path, which was the name of the mission at the time, was written by the Rev. John Brainerd. The mission was founded by the Rev. John Brainerd, who was a member of the American Board of Commissioners for Foreign Missions. The mission was founded in 1818, and it was the first mission of its kind in the South.

Rev. D. S. Brainerd traveled 2,000 miles and preached 100 sermons in the mission. The mission was founded by the Rev. John Brainerd, who was a member of the American Board of Commissioners for Foreign Missions. The mission was founded in 1818, and it was the first mission of its kind in the South.

State government honored the mission. The mission was founded by the Rev. John Brainerd, who was a member of the American Board of Commissioners for Foreign Missions. The mission was founded in 1818, and it was the first mission of its kind in the South.

At the first meeting of the mission, the Rev. John Brainerd was elected secretary. The mission was founded by the Rev. John Brainerd, who was a member of the American Board of Commissioners for Foreign Missions. The mission was founded in 1818, and it was the first mission of its kind in the South.

In the year 1818, Brainerd, a member of the board, was in the mission. The mission was founded by the Rev. John Brainerd, who was a member of the American Board of Commissioners for Foreign Missions. The mission was founded in 1818, and it was the first mission of its kind in the South.

Great Demonstration
And Sale All This Week!

Don't Miss It! Get the Secret of Amazing
Efficiency and Economy in This Oil Range

Tomorrow—and all week—our greatest demonstration and sale of Red Star Oil Ranges will be in progress. Don't fail to come! But come early—as our quota of Red Star Ranges is positively limited by the factory. Come and see why this beautiful Oil Range is such a wonderful success, how it actually makes its own gas from kerosene—and why it ends, for all time, the limitations of ordinary oil stoves. It is now being used in thousands of farm and town homes.

SEE THE WONDERFUL
"DOUBLE RING FLAME" BURNER

See how the burner is made without wicks or asbestos rings. See how it concentrates a "Double Ring Flame" directly beneath your cooking utensils. The heavy cast iron burner gets red hot. Gives, for the first time, perfect vaporization. This it positively prevents all smoke and odor and increases heating efficiency by at least 30 per cent. In fact, you get 19 hours of perfect cooking and baking heat from each gallon of fuel. Far cheaper than city gas ranges.

Come and witness the great demonstration. Get our special terms for this demonstration. You owe it to yourself to get a "Red Star" in your home at once.

BE SURE TO COME EARLY!

Outstanding Work Accomplished by Brainerd Mission During Its 21 Years

NOTED PEOPLE VISITED THERE

President Monroe So Pleased With Reception He Gave Financial Help

By ANNE BACHMAN HYDE
The Brainerd mission, which has been in existence for 21 years, has a record of outstanding work in the field of social service, both in the written and the spoken word. The mission has been a source of inspiration and help to many of the city's most prominent people.

President Monroe, who visited the mission in 1923, was so pleased with the reception he gave that he gave financial help to the mission. The mission has been a source of inspiration and help to many of the city's most prominent people.
