Complaint:	Working non-certified Deputies solo and Untruthfulness about Academy Transfer Requests			

CASE NOTES

The POST Commission Investigation Division conducted an audit on the Grundy County Sheriff's Office. During the audit it was found that ACADIS records were not being updated. Things like employment history, training, etc. had deficiencies. Some current and former deputies did not show Grundy County Sheriff's Office in their records. The Investigation Division also received complaints about noncertified officers working solo, command staff hindering the booking status of arrestees, etc. I have spoken with several sources that wish to stay anonymous about complaints that we have received. All our sources have alleged most of the same things. They have stated that the administration is allowing noncertified officers to work solo. The same name has come up in all conversations, Deputy John Trevor Dykes has been allegedly working solo patrol and is still not certified.

On 4/16/23, it has been reported that a Grundy County Deputy lied over the radio to initiate a pursuit. confidential source (CS) #1 alleged that Deputy Norris alleged that the driver fled from a traffic stop. The CS was posted ahead of the pursuit to assist and found out prior to the fleeing vehicle reaching them that Deputy Norris never stopped the vehicle. The CS decided to not assist due to potential legal issues with the situation. During the same incident it has been alleged that noncertified

Deputy Dykes also participated in the pursuit. I have received a copy of the CAD card for this pursuit, and it is documented on the card when Deputy Dykes responded to the pursuit and when he cleared the scene. This incident involved a U-Haul that fled and went down to Lookout Mountain, GA and rolled over a guard rail.

VERSION 1

Another complaint from a different confidential source (CS #2) was that Chief Deputy King allegedly hindered the booking process of an arrestee. CS #2 that works for a different agency arrested a female and charged her with Attempted Murder. CS #2 alleged that Chief King halted the booking process alleging that the charge was incorrect. Allegedly, Chief King made the jail staff house the arrestee in holding until she saw a Judge on Monday morning. It was also alleged that the arrestee is a cousin of Chief King.

Another complaint reported by a third confidential source (CS #3) is that Captain Ronald Bess, who is also noncertified is also working solo in a law enforcement position. He also started the basic academy at TLETA. Captain Bess did not finish the academy and is planning to transfer to Cleveland State and has allegedly paid for the academy at Cleveland State before getting a waiver approved to transfer academies.

CS #2 contacted me again on 4/25/23 and advised me that they got a message from someone at Tracy City Elementary School that Deputy Dykes was working school traffic all by himself. The CS also told me that Chasidy Shirley is working solo as an SRO. They stated that Shirley is having to go back to the academy for EVOC. Shirley is not showing in ACADIS.

On Thursday, April 27, 2023, Supervisor Cooper advised me of a letter that was sent to POST in March of 2023. The letter was a request from Sheriff Gunter requesting a waiver for three of his deputies to transfer from TLETA to Cleveland State Academy. After I was told about the letter, I called Director Hodges from Cleveland State. He stated that not only has nobody paid yet, but he has not even received an application from Grundy County stating that they would be sending anybody.

Later, Assistant Director Bello forwarded the email to me that the letter was attached to. I emailed Director Hodges to verify the truthfulness of the letter. I attached the letter and asked him if he could confirm or deny whether they applied and/or paid. Later in the evening he responded back that he had just seen the email and would check with the secretary in the morning and let me know. In March of 2023, Grundy County Sheriff Heath Gunter sent a letter to POST requesting a waiver for Academy Transfer for all three deputies. In the letter he stated:

Dear P.O.S.T.

I am writing you in reference to change of academy for Ronald Dale Bess, Lonnie Ray Bradford and John Trevor Dykes from T.L.E.T.A. to Cleveland State Community College Police academy due to them paying for the Academy themselves. Please email or feel free to call me on what I need to do on this situation my email is hgunter@gc-sheriff.com.

Thank You for your assistance: Sheriff Heath Gunter

On Friday, April 28, 2023, I received an email from Kathleen Stutzman (clerical coordinator for Cleveland State Academy). She was responding to the email that I sent Director Hodges asking if Ronald Dale Bess, Lonnie Ray Bradford, and John Trevor Dykes have applied to their academy yet. In her response, Ms. Stutzman stated the following:

Regarding the individuals mentioned in the letter to POST from Grundy County. None of them have applied to our academy or to the college itself yet. Mr. Bradford called here about a month ago asking about our academy and said he was looking to apply to our fall class. The deadline to do that is August 16, 2023.

Also, Chasidy Shirley called requesting a copy of her medical and psychological evaluation forms that she had turned in with her application to us. She must return and complete Defensive Tactics and EVOC to complete the academy.

I forwarded Ms. Stutzman's email to the rest of the POST Investigative team. Supervisor Cooper later forwarded the email up to Director Kain with the recommendation to bring the matter in front of the commission.

On Tuesday, May 2, 2023, I received text messages from CS #3 that stated Chassidy Shirley "quit the sheriff's office". I asked if she gave a reason and was told, "She was lying".

Also, the source told me, "John Trevor Dykes is getting deputy pay".

On Friday, May 4, 2023, confidential source four (CS #4) reached out to me. They stated that Deputy Dykes is still working solo patrol. When asked to confirm if Chassidy Shirley quit the Sheriff's Office, they stated, that is what is being circulated around the agency.

On Tuesday, May 23, 2023, Asst. Director Bello, Supervisor Cooper, Inv. Krieb, and myself went to Grundy County. Asst. Director Bello and Inv. Krieb went to Tracy City Elementary School to verify whether the reports were true that Deputy John Trevor Dykes was working solo at the school. While they were there, they spoke with school staff who stated that they have not had an SRO all year so far. The principal referred them to the central office. They went to the central office and spoke with someone there who called around to the different schools to verify if an SRO was there. Eventually they were advised to go to Swiss School.

When they arrived, they located Deputy Dykes. Deputy Dykes stated that he has been working as a full-time officer and has been working by himself since he started. While Asst. Director Bello and Inv. Krieb were talking with Deputy Dykes, two other deputies walked in and stayed with Deputy Dykes the rest of the time that they were there.

Supervisor Cooper and I went to the Grundy County Sheriff's Office. While we were waiting in the lobby for Marilyn Rodman (HR) Sheriff Gunter came out and spoke with Supervisor Cooper. When Ms. Rodman came to the lobby, she took us back to her office. I asked her if we could see the last three months of time sheets for their patrol deputies. Ms. Rodman showed us to the conference room and gave us a stack of folders with time sheets in them. Supervisor Cooper and I went through the time

sheets to verify the hours and that deputies were in compliance with POST rules. John Dykes (noncertified) logged 86 hours during

2/5-2/18, 100 hours during 2/20-3/4, 86 hours 3/5-3/18, 94 hours 4/2-4/15, 86 hours 4/2-4/15, and 98 hours 4/30-5/13. Ronnie Bradford (noncertified) logged 103 hours 2/5-2/18, 102.5 hours 3/5-3/18, and 90.5 hours 4/2-4/15. Tyler Roberts (noncertified) logged 86 hours 2/5-2/18. We also noted several incidents of ACADIS files not being updated.

After Supervisor Cooper and I were done looking through the time sheets and auditing personnel files, we invited Sheriff Gunter to sit down with us and go over the deficiencies that we found. When we got to John Dykes, Sheriff Gunter explained that some of his hours are from working an extra job at “The Caverns”. While on duty at “The Caverns” a law enforcement officer working the event is expected to be in a law enforcement role. Sheriff Gunter also stated that Dykes was accompanied by another certified deputy when he worked the extra job.

We also found that there were several of Sheriff Gunter’s personnel who were not showing in ACADIS. According to Sheriff Gunter, Lonnie Bradford had resigned from the Sheriff’s Office. However, he is still showing active in ACADIS. His status was changed after our meeting. Jeremy Thomas is certified but is still showing that he works for Sewanee University Campus Police Department. Vincent Cardella, Jr., is not showing employment history with Grundy County. Kevin Smith is not in ACADIS at all. Wade Coble shows in ACADIS that he was terminated from Grundy County due to unsatisfactory performance during his FTO time, but he is on the payroll. Brandon Deffendoll got paid for 86 hours during the pay period of 4/30-5/13. But he is not showing employment history with Grundy County in ACADIS.

While we were talking with Sheriff Gunter he stated, “POST just left one of my schools. I’m keyed up on POST being at my school.” Sheriff Gunter was visibly bothered by the presence of POST both in his office and at schools in Grundy County.

The following is a statement written by Investigator Krieb in reference to what he saw when he went to the schools and the conversation that was had while he was there:

The TN POST Commission received complaints regarding Grundy County Sheriff’s Office working non-certified deputies full time without another certified officer. On May 23, 2023, members of the POST investigative unit traveled to Grundy County. While in Grundy County Investigators were informed that John Trevor Dykes was working as a full-time school resource officer at Swiss Elementary School located at 477 55th Ave, Gruetli Laager.

AD Bello and I went to Swiss Elementary School and as we entered the parking lot, we observed a Grundy County Sheriff’s Office SUV. When we approached the school, we noticed that the front doors were propped open, and we walked right inside the school. We went to the main office and noticed a deputy sitting in a chair in the office. Looking at his uniform I noticed the name on the shirt stated JT Dykes. Investigators already had knowledge that this deputy was not certified. We identified ourselves and asked to speak with him. He stated yes and walked us to another room.

We informed him of the reason for our visit, and he did confirm that he is working full time alone at the school as an SRO. He stated he wants to go to Cleveland State Academy and explained it is due to a medical situation in his family. Deputy Dykes stated he wanted to go to the academy and be trained since he had a situation at the school regarding an order of protection/restraining order that he had to have the Sheriff come to the school and assist him.

While speaking with him the principal to the school came in and said there were other law enforcement officers at the school, and he was bringing them to us. A moment later, 2 Grundy County deputies came into the room. One was certified deputy Shawn Norris PSID 7466-8054 and the other was not a certified deputy. We explained to Deputy Dykes that he can no longer work full time alone or as an SRO since he is not certified. We left him with the other certified deputy and made sure that it was understood that if the certified deputy left, Mr. Dykes could not be left alone working in the school. We talked further with Dykes about his waiver to attend a different academy and that he needed to speak with the sheriff about adding the details of his family's medical needs.

John Trevor Dykes PSID#1054-5002 was hired 09-12-22 and he is enrolled to attend basic in July at TLETA. The day of our visit, Deputy Dykes was wearing a black polo with Deputy JT Dykes on the right chest, Grundy County SO badge on the left chest, Grundy County SO metal badge on his right hip and he was armed.

CASE SUMMATION

In summation to the case, this investigation was originally started when I conducted an audit on the Grundy County Sheriff's Office. During my audit I found that information was not being documented on individual officers' files. During my audit, complaints began to come in from current and former deputies and officers from outside agencies.

Complaints ranged from noncertified officers working solo to admin halting the booking process of arrestees to untruthfulness by administrative personnel in reference to the status of deputies going to a Police Academy.

One anonymous source stated that a female was arrested and charged with Attempted Murder for stabbing a male victim. The source stated that Chief Deputy King stopped the booking process stating that the charge did not fit the crime. The source alleged that Chief King had booking officers hold the female arrestee until she could see a judge on Monday morning. The source also alleged that the arrestee is a relative of Chief King. I later spoke with ADA Wilson who confirmed the incident happened.

Each anonymous source also alleges that deputies were being allowed to work solo in a law enforcement capacity while not being a certified law enforcement officer. This was confirmed by Asst. Director Bello and Inv. Krieb when they showed up in person to a school. Inv. Krieb stated that while they were talking with Deputy Dykes at one of the schools, two more deputies showed up stating that they were sent there.
