AFFIDAVIT OF COMPLAINT

Docket 1920136

IN THE GENERAL SESSIONS COURT OF HAMILTON COUNTY

STATE OF TENNESSEE VS. MILLSAPS, ROBERT EDWARD

9120 HARRISON BAY RD

HARRISON, TN 37341

The undersigned affiant, after being duly sworn according to the law, state that MILLSAPS, ROBERT EDWARD whose name is otherwise unknown to the affiant, committed the offense of COMMISSION OF AN ACT OF TERRORISM in the above county on or about 8/4/2023

Further, affiant makes oath that the essential facts constituting said offense, the sources of affiant's information, and the reasons why his / her information is believable concerning said facts are as follows:

On August 4th, 2023, at 16:16 hours, the Hamilton County Sheriff's Office (HCSO) Criminal Investigations Division (CID) received a call from Deputy Chastain who advised threats had been made towards a judge and a United States federal building. Deputy Chastain is assigned to the HCSO Corrections Division at the Hamilton County Jail and Detention Center (also referred to as the Silverdale Detention Center). CID Sergeant Maucere spoke with Deputy Chastain via telephone who advised the defendant, Robert Edward Millsaps, had made terroristic threats via telephone, one (1) threat specifically made towards Hamilton County General Sessions Judge Gary Starnes and one (1) threat specifically describing bombing a United Stated federal building. Deputy Chastain advised the threats had been made via telephone and the phone calls had been made from the Hamilton County Jail and were recorded via the Securus phone system.

On August 5th, 2023, at 10:35 hours, CID Sergeant Maucere contacted HCSO Deputy Potter regarding a second complaint involving a threat against the Hamilton County Courts Building, specifically Judge Starnes courtroom. Deputy Potter is assigned to the Courts Division and is responsible for the safety and security of the Hamilton County Courts Building. Sergeant Maucere spoke with Deputy Potter who advised he had received a complaint from a bonding agent named Courtney Wilson of Affordabail Bonding Company who advised she had received a threatening phone call on August 3rd, 2023, from the defendant, Robert Edward Millsaps. Ms. Wilson completed a written statement for Deputy Potter, and she stated she had received a phone call from Robert Millsaps (DOB: 05-17-1989) on August 3rd, 2023, at approximately 3:53 PM which came from the Silverdale Detention Center. Ms. Wilson stated she answered the phone call and Robert Millsaps stated he was going to bomb Judge Starnes courtroom and a Federal building. Ms. Wilson stated she contacted Silverdale Detention Center and spoke with a HCSO deputy in NCIC and advised them to pull the phone call recording containing the threats.

Deputy Potter advised he had reported the threat to Hamilton County General Sessions Judge Starnes who became alarmed and who stated he wished to prosecute Robert Millsaps. Judge Starnes also advised he was going to report the threat against the United Stated Federal building to federal authorities, specifically the Federal Bureau of Investigation (FBI). Sergeant Maucere asked Deputy Potter if Judge Starnes and Ms. Wilson had become alarmed because of the threats and he advised yes to this question stating both subjects had seemed concerned because of these threats.

Sergeant Maucere began investigation of this incident and conducted a search utilizing the Securus Technologies phone system utilized at the Hamilton County Jail and Detention Center and found over twenty (20) phone calls had been made by inmate Robert Edward Millsaps (SPN: 476927) on August 3rd, 2023. Sergeant Maucere then identified three (3) separate phone calls which involved terroristic threats made to individuals from the jail phone system.

On August 3rd, 2023, at 15:44 hours, Robert Millsaps made a 45 second phone call to phone number 423-779-2484 which was identified as being associated with Courtney Wilson of Affordabail Bonding Company. During this phone call, Robert Millsaps threatens to bomb an unknown person's house and threatens to bomb the Public Defender's Office. During this phone call, the defendant specifically identified himself as "Robert Millsaps" and states for Courtney to tell another person (hard to understand – possibly "Denise") that a terrorist will bomb her house and the Public Defender's Office because they will not let him fire his public defender. Robert Millsaps then identifies himself as the terrorist and also states he is going to send someone to bomb the Public Defender's Office and the other person's office (likely a reference made to an assistant public defender).

On August 3rd, 2023, at 15:47 hours, Robert Millsaps made a 27 second phone call to phone number 423-266-2245 which was identified as being associated with Platinum Bail Bonding. During this phone call, Robert Millsaps threatens to bomb Platinum Bail Bonding's building. During this phone call, the defendant specifically identified himself as "Robert Millsaps" and then threatens to bomb their building while identifying himself as a terrorist and referencing several other men from Harrison, Meigs County, and Cleveland, Tennessee. (Sergeant Maucere recognized one of these names as being either the father or brother of Robert Millsaps who share the same name and does not believe these subjects or the other subjects named by Robert Millsaps from Meigs County and Cleveland are involved.)

On August 3rd, 2023, at 15:52 hours, Robert Millsaps made a 27 second phone call to phone number 423-779-2484 which was identified as being associated with Courtney Wilson of Affordabail Bonding Company. During this phone call, Robert Millsaps threatens to bomb Gary Starnes courtroom, a United States Federal building, and Affordabail Bonding Company's building. During this phone call, Rober Millsaps states he forgot to tell Ms. Wilson that he was going to bomb Gary Starnes courtroom and laughs and then states he is going to bomb the Federal building and the Affordabail Bonding Company building in Chattanooga, Tennessee.

Sergeant Maucere conducted a search of Hamilton County Court records and observed Robert Edward Millsaps (DOB: 05-17-1989) has a total of fourteen (14) criminal charges which are either pending or which were disposed of by General Sessions Judge Gary Starnes between 2020 through the present time in 2023. Pursuant to T.C.A. 39-16-510 (Retaliation for Past Action): "(a)(1) A person commits the offense of retaliation for past action who harms or threatens to harm a witness at an official proceeding, judge, district attorney general, an assistant district attorney general, an employee of the district attorney general or a law enforcement officer, clerk, juror or former juror, or a family member of any such person, by any unlawful act in retaliation for anything the witness, judge, district attorney general, assistant district attorney general, employee of the district attorney general or a law enforcement officer, clerk, employee of the clerk, or juror did in an official capacity…" Sergeant Maucere observed Robert Millsaps was threatening to harm Judge Starnes for what he did in an official capacity regarding his criminal cases.

Pursuant to T.C.A. 39-16-502 (False Reports): "(a) It is unlawful for any person to: (3) Intentionally initiate or circulate a report of a past, present, or impending bombing, fire or other emergency, knowing that the report is false and baseless and knowing: (A) It will cause action of any sort by an official or volunteer agency organized to deal with those emergencies; (B) It will place a person in fear of imminent serious bodily injury; or (C) It will prevent or interrupt the occupation of any building, place of assembly, form of conveyance, or any other place to which the public has access."

Regarding the commission of terroristic threats, Sergeant Maucere consulted with the Hamilton County District Attorney's Office who advised they will prosecute Robert Millsaps for a violation of T.C.A. 39-13-805 (Commission of an Act of Terrorism) directing him to be charged with this offense plus the above offenses. Pursuant to the Terrorism Prevention and Response Act of 2002, T.C.A. 39-13-802 (Legislative Intent) states: "(a) The general assembly finds and declares that the threat of terrorism involving weapons of mass destruction, including, but not limited to, biological, chemical, nuclear, or radiological agents, is a compelling public safety and health concern. The general assembly recognizes that terrorism involving weapons of mass destruction could result in a disaster placing residents of Tennessee in great peril. The general assembly finds it necessary to sanction the possession, manufacture, use, or threatened use of chemical, biological, nuclear or radiological weapons, as well as the intentional use or threatened use of industrial or commercial chemicals as weapons, to take other steps to prevent the occurrence of terrorist acts to the fullest extent possible, and to respond rapidly and effectively to any terrorist acts. The general assembly further finds and declares that hoaxes involving terrorist threats create a substantial drain on governmental resources and are a significant disruption to the operation of government, as well as a disruption of the right of persons to a sense of personal security."

Sergeant Maucere conducted a background investigation of the defendant, Robert Edward Millsaps, and found him to be a convicted felon with multiple convictions in Hamilton County, Tennessee for violent crimes and other crimes to include the following: Burglary of an Auto (2012), Evading Arrest – Risk of Death (2012), Aggravated Burglary (2019), Theft of Property over $500 (2012), Promoting the Manufacture of Methamphetamine (2010), Theft of Property over $10,000 (2012), Theft of Property over $1,000 (2018), Theft of Property over $1,000 (2nd conviction for this offense - 2012), Evading Arrest – Risk of Death (2nd conviction this offense - 2012), Burglary of an Auto (2nd conviction this offense - 2012), Evading Arrest – Risk of Death (3rd conviction for this offense - 2010), Theft of Property over $1,000 (3rd conviction for this offense - 2012), and Attempted Aggravated Assault (2012). Sergeant Maucere also discovered the defendant, Robert Millsaps, is validated via the Tennessee Department of Corrections (TDOC) as a gang member of the violent prison and street gang known as Aryan Nation.

Sergeant Maucere is charging the defendant, Robert Edward Millsaps, with Commission of an Act of Terrorism (T.C.A. 39-13-805 / Class A Felony), 3 counts of False Reports (T.C.A. 39-16-502 / Class C Felonies), and Retaliation for Past Action (T.C.A. 39-16-510 / Class E Felony).

If the defendant's charge is dismissed, a no true bill is returned by a grand jury, the defendant is arrested and released without being charged with an offense, or the court enters a nolle prosequi in the defendant's case, the defendant is entitled, upon petition by the defendant to the court having jurisdiction over the action, to the removal and destruction of all public records relating to the case without cost to the defendant.
