Chattanooga, TN 37402

Agent Washington:

I have reviewed the investigative findings in regard to the above captioned case. The investigation establishes the following:

- (1) At all times pertinent, Councilman Sewell disclosed his affiliation with Still Motion Pictures as was required by law (Financial Disclosure Forms).
- (2) There is no evidence that Councilman Sewell ever voted on, negotiated, supervised or approved any contracts with Still Motion Pictures.
- (3) Proper purchasing procedures were followed by the City of East Ridge in regard to the work that was done by Still Motion Pictures.

Based upon these findings, a violation of TCA 39-16 -402 (Official Misconduct) did not occur.

I am returning your file pursuant to statutory requirements.
