

Tennessee Temple University
Announcement from the Chancellor and the TTU Board

On June 16, 2011, the Board of Trustees of Tennessee Temple University accepted the resignation of Dr. Danny Lovett as President and appointed Dr. Jim O'Neill as Interim President. These changes will be effective July 1, 2011.

After discussing a number of issues and concerns, the Board decided to accept Dr. Lovett's request to implement the executive transition plan that he had been discussing for a number of months.

The Board expressed its appreciation for Dr. Lovett's six years of service as President.

We ask that you pray for Dr. Lovett's ministry and for Dr. O'Neill's leadership as he assumes his new duties and responsibilities. Also, pray that we will work as a team to glorify God through our ***Distinctly Christian*** University.
