Grundy County Mayor Lonnie Cleek, Commissioners and Citizens of Grundy County

It is with deep regret that I must make the decision to resign as the Third District County Commissioner effective end of day 3-26-12.

There are many reasons I have come to this decision including I find myself without the passion I once had to come to the tasks at hand and my work schedule is taking time that I need to devote to the County.

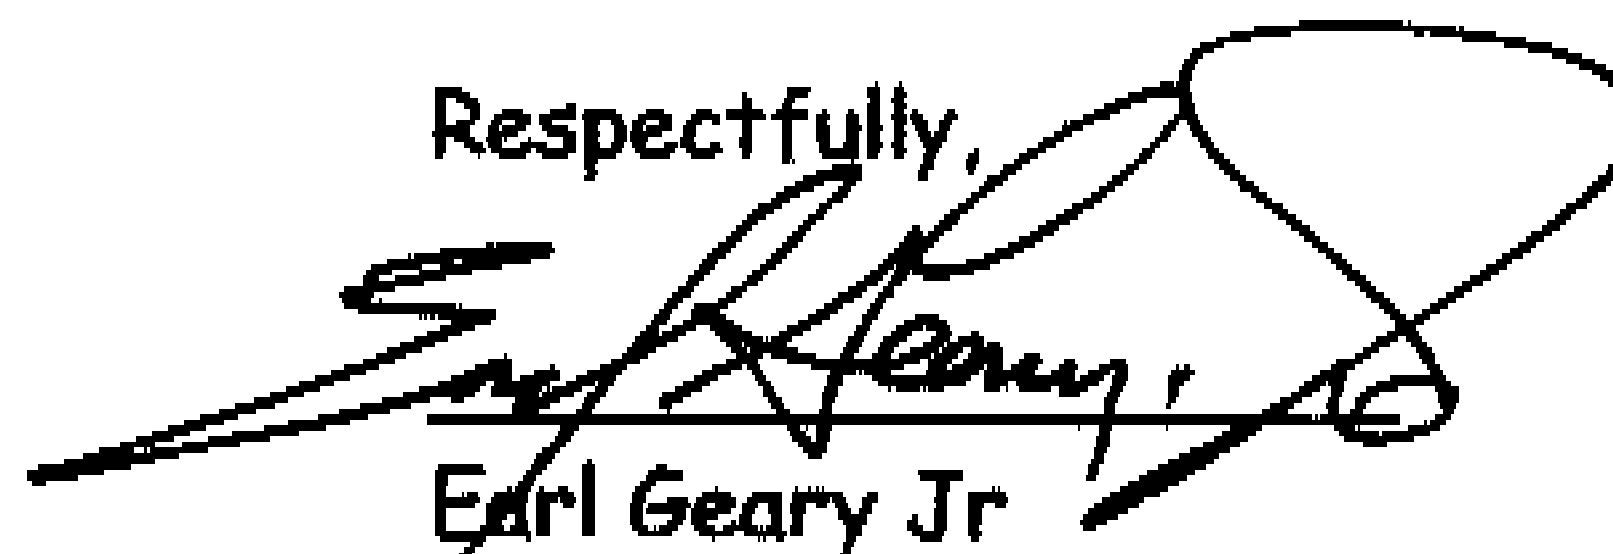

I feel to continue as I am would deprive the Commission, citizens of Grundy County and especially the Citizens of the Third District of a proper representative.

I wish to thank the Mayor's and County Commission's throughout the years of my tenure for their friendship, hard work and dedication.

I especially want to thank the citizen's of the Third District for their faith in me as their representative. It has been an honor and privilege to serve.

Resolution of the tasks at hand facing Grundy County are going to be very difficult and I wish you all the best.

Respectfully,
