Dear Angela,

You called about my writing S.M.s. I'm 83 and had a stroke which slowed me but didn't stop me. I grew up on a farm in So. Ohio. We had 25 A. in gardens. Some of 35'x75' is nothing. I started in Alt. Sch. Back Then returned missionaries told Mission Stories in S.S. You prayed for Colporteurs and missionaries. One little boy said when he grew up he wanted to be a Returned missionary.

I was in the Korean War at a FENT Clinic.
(This to here took 30 min)

I do most things I ever did, just takes longer.
~~The~~ Devers live a simple life; free of chronic diseases.

The Korean Bill gave \$50. a mo., with a little work on the grounds, paid my way at SMC in 1953-57. There I met and married Arlene Detamore, middle dau. of Fordice Detamore, Dean of SDA Evangelists, of the V.O.R.

I taught church Sch. 35 yrs, gr. 1-8 and 5-8.
I was in the Korean War Oct. 1950 to Oct. 1952, 14 mo. in PUSAN.

I've Rec'd maybe 100SM letters, wrote over 1000 to S.M.'s.

When more are at one place, I write one letter to all in one place & answer all replies. Most are too busy to write but say they appreciate them. I'm happy to get replies; very interesting.

I retired from teaching in June 1992; Taught 1 to 8 in Zanesville, Ohio; 4-6 in Cleveland, Ohio; McMinnville, TN, gr. 1-8, 7 yrs, AUGUSTA, GA; Cleveland, TN; Dunlap, TN 5-8, 16 yrs; Cumberland, MD, 14 yrs.
