

Well I was a trustee at the Dade County Jail
and I went to court today and I got six months
and I had left a car truck to come to see if my
wife was ok and a officer chased me and I jump
out and run but I gave up and a officer tazed me
in the back and I was on the ground and a bunch
of other officers was beating on me hit in me
in my face and hit me my face is messed up and
they kick me in the ribs to and in my privet part
they blamed me on the cop car I was hurt I was at
the ER seen the doctor for my ribs privet part
and my face I have an officer with me he is
one of the good ones he helps me dont no whats
going to happen. And also the Grayville officers
had anything to do with it it was Dayton and
Gt. Dade County.
