MEET UNCLE WIGGY

Well hello niece or nephew, welcome to the family, I'm your Uncle Wiggy! I've spent the better part of thirty years working in law enforcement. I've worked as a police officer, detective, drug task force agent, as well as in county jails and state prisons. I've gained a lot of knowledge and experience over my career and I would like to share it with you because you can count on family and you can always count on your UNCLE WIGGY. I know you will enjoy my booklet and maybe even find it a real "HARD TIME" saver. Don't mistake any of the information for legal advice that comes from a lawyer. If you need a lawyer, don't sweat, we have plenty of those in the family also, along with wrecker drivers and bail bondsman. They can be found at UNCLEWIGGY.COM. Now enjoy the read and I'll see you at the reunion. And again, welcome to the family!
