August 14, 2013

Dear Speaker Harwell

Please accept this letter as official notification that the House Judicial Oversight Committee tasked with the responsibility of looking into the issues related to the district attorney from the 10th judicial district, has come to a decision. Having completed the review of the TBI files, other sources of information, and interviewing witnesses, we have voted in the aggregate and determined that we do have cause to move forward. We recommend the appointment of the Charging Committee.

In Humble Service

A handwritten signature in black ink that reads "Tony Shipley".

Representative Tony Shipley
