COMMITTEE, INC.

**Response Due Date**  
**05/27/2014**

IDENTIFICATION NUMBER: C00461822

REFERENCE: APRIL QUARTERLY REPORT (01/01/2014 - 03/31/2014)

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 5 item(s):

1. Schedule A of your report discloses one or more contributions that appear to exceed the limits set forth in the Act (see attached).

An individual or a political committee other than an authorized committee or qualified multi-candidate committee may not make a contribution(s) to a candidate for federal office in excess of \$2,600 per election. An authorized committee may not make a contribution(s) to a candidate for federal office in excess of \$2,000 per election. A qualified multi-candidate committee and all affiliated committees may not make a contribution(s) to a candidate for federal office in excess of \$5,000 per election. The term "contribution" includes any gift, subscription, loan, advance, or deposit of money or anything of value made by any person for the purpose of influencing any election for federal office. (2 U.S.C. § 441a(a) and (f); 11 CFR § 110.1(b), (e) and (k))

If any apparently excessive contribution in question was incompletely or incorrectly disclosed, you must amend your original report with the clarifying information. If any contribution you received exceeds the limits, you may have to refund the excessive amount.

Excessive contributions may be retained if, within 60 days of receipt, the excessive portions are properly redesignated or reattributed. Guidelines for

each option are provided below.

For reattributions, excessive contributions from individuals can be retained if, within 60 days of receipt, the excessive amount is properly reattributed to another person. Please note that reattributions only apply to excessive contributions from individuals. An excessive contribution is considered properly reattributed if (1) the contributors provide the committee with written documentation, signed by each contributor, authorizing a reattribution and indicating the amount of the contribution to be attributed to each contributor; or (2) the committee reattributes by presumption the excessive portion of the contribution if the contribution was made on a written instrument from a joint account and was signed by only one of the account holders. In this case, the treasurer must notify the contributors in writing within 60 days of receiving the contribution that the committee intends to reattribute the excessive portion and must give the contributor an opportunity to request a refund. (11 CFR § 110.1(k)(3)(ii)(B))

For redesignations, the funds can be retained if, within 60 days of receipt, the excessive amount is properly redesignated for a different election. An excessive contribution is considered properly redesignated if (1) the committee obtains signed written documentation from the contributor(s) authorizing the redesignation of the contribution for another election, provided that the new designation does not exceed the limitations on contributions made with respect to that election; or (2) your committee redesignates by presumption the excessive portion of the contribution for another election provided that the new designation does not exceed the limitations on contributions made with respect to that election. In this case, the treasurer must notify the contributor of the redesignation in writing within 60 days of the treasurer's receipt of the contribution. The notification must give the contributor an opportunity to request a refund. (11 CFR § 110.1(b)(5)(ii)(B)) Please note that you cannot presumptively redesignate an excessive contribution from a multi-candidate committee. Also, a contribution can only be redesignated to a previous election to the extent that the contribution does not exceed the committee's net debts outstanding for that election. (11 CFR § 110.1(b)(3)(i))

If the foregoing conditions for reattributions or redesignations are not met within 60 days of receipt of the contribution, the excessive amount must be refunded. See 11 CFR § 103.3(b)(1).

If you have not already done so, please inform the Commission of your

corrective action immediately in writing and provide photocopies of any refund checks and/or letters reattributing or redesignating the contributions in question. Refunds are reported on Line 20(a), (b), or (c), as applicable, of the Detailed Summary Page and on a supporting Schedule B of the report covering the period in which they are made. Redesignations and reattributions are reported as memo entries on Schedule A of the report covering the period in which the authorization for the redesignation and/or reattribution is received. (11 CFR § 104.8(d)(2), (3) and (4))

Although the Commission may take further legal action concerning the acceptance of excessive contributions, your prompt action to refund, redesignate, and/or reattribute the excessive amount will be taken into consideration.

**2.** Your report fails to provide proper election designations for contributions disclosed on Schedule A supporting Line(s) 11a. Authorized committees should indicate the election for which the contribution was designated. If no election is designated, the contribution is applied to the next election for the federal office the candidate is seeking after the contribution date. Please be advised that incorrect election designations may result in excessive or impermissible contributions. Please amend your report to clarify election designations "P1000" and "P2000." (11 CFR §§ 110.1(b) and 110.2(b))

**3.** Itemized disbursements must include a brief statement or description of why each disbursement was made. Please amend Schedule B supporting Line 17 of your report to clarify the following description(s): "4th Qtr Consulting," "Commissions," "Consulting Fee," "December Consulting," "Event," "February Consulting" and "March Consulting." For further guidance regarding acceptable purposes of disbursement, please refer to 11 CFR 104.3(b)(4)(i)(A).

Additional clarification regarding inadequate purposes of disbursement published in the Federal Register is available on the FEC website at [www.fec.gov/law/policy/purposeofdisbursement/inadequate\\_purpose\\_list\\_3507.pdf](http://www.fec.gov/law/policy/purposeofdisbursement/inadequate_purpose_list_3507.pdf). A non-exhaustive list of acceptable purposes is also available on the FEC website at <http://www.fec.gov/rad/pacs/documents/ExamplesofAdequatePurposes.pdf>.

**4.** Schedule B of your report discloses reimbursements to individuals for the following disbursement(s): "Campaign Fundraising Expenses," "Chuck," "Meeting Other Expenses" and "Reimbursement." Please be advised that when itemizing reimbursements to individuals for goods or services, if the payment

to the original vendor aggregates in excess of \$200 in an election cycle, a memo entry including the name and address of the original vendor, as well as the date, amount and purpose of the original purchase must be provided. Please amend your report to include the missing information on Schedule B and clearly identify each memo entry supporting a reimbursement. If itemization is not necessary, you must indicate so in an amendment to this report. (11 CFR §§ 104.3(b)(4)(i) and 104.9, and Advisory Opinions 1992-1 and 1996-20, footnote 3)

5. Schedule B of your report discloses reimbursements to individuals for the following travel-related disbursement(s): "Brenda Airfare DC for Retreat." When the reimbursement amount to individuals for travel and subsistence advances exceeds \$500, the payments by staff to any one vendor that make up the reimbursement may have to be itemized. For example, if the related payments to any one vendor aggregate in excess of \$200 for the election cycle, the staff advance payment to the vendor must also be itemized in a memo entry for that reimbursement. Each memo entry must include the complete name and address of the original vendor, as well as the date, amount, and detailed purpose of the advance. If itemization is not necessary for a particular reimbursement to staff in excess of \$500, you must indicate so in an amendment to this report. Please amend your report to include the missing or clarifying information. See Advisory Opinion 1996-20 for additional clarification. (11 CFR § 104.9)

- Please be advised that the FEC Committee ID numbers for the following contributions from political committees appear to be incorrect: UNITED TECHNOLOGIES (C70004544), ASSOCIATED BUILDERS AND CONTRACTORS (C70003355) and NATIONAL ASSOCIATION OF HOME BUILDERS (C30001366). Use of incorrect FEC Committee ID numbers may create difficulty in identifying the contributing committee for the public record. (11 CFR § 104.3(a)(4))

**Please note, you will not receive an additional notice from the Commission on this matter.** Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**
