1 During interview with Mr. Kidd he admitted to being a member of the "Grape St. Crips". When asked why he had no tattoos proving his membership he stated, "Because it get you caught."

2

3 During the execution of a search warrant at Mr. Kidds address, Police discovered multiple purple bandanas worn and new in Mr. Kidds bedroom.

4 In Mr.Kidds wardrobe were multiple all purple shirts, or shirts with purple emblems. One being a dark hoodie with a purple writing across the chest that was rolled up. Inside of the hoodie a black ski mask was located.

Narrative:

Mr. Kidd has been only known to law enforcement as an associate of the Grape St. Crips. While attempting to make contact with him as a driver of a hit and run vehicle, he was discovered smoking marijuana and reached for a pistol/ext mag. with a round in the chamber. A search warrant revealed multiple boxes of ammunition, mags, and an SKS assault rifle. Mr. Kidd is clearly not only linked to gang activity, but shows a willingness to participate in violent acts and has the means to make such acts deadly.

1 He stated that he use to be a member of Cutthroat Crips, but "they got too crazy". I observed that when he text people he would spell Fuck as "FUCC". He did this on several occassions and when someone would send him a text they spelled it the same.

2

3 I observed two pictures in his phone of him throwing up a 4. He said that it was for 4th ave.

4 He had his school uniform on. White button up shirt, khaki pants, red belt, white shoes and two sets of rosary beads (Silver and brown).

5

6 He was with Kamaari McCray (co-def) and about others siting on the wall at the Boys Club

7 He told me that he hangs with Cutthroat and Gangster Disciples. When I asked if he "associates" with Cutthroat Crips, he said "yes".
