

DEPARTMENT OF INTELLECTUAL AND DEVELOPMENTAL DISABILITIES

Summary of Investigation

PRIVATE ICF/IID PROVIDER

Case Number: E1702002 **Waiver:** Private ICF/IID **DIDD Investigator:** James White

Agency Responsible: Orange Grove Center

Date: 2/22/2017

I. Initial Allegation(s):

It was reported that staff, B [REDACTED] H [REDACTED] hit the person supported. This occurred on 12/21/16 and was not reported. However, there is a video that depicts a person supported being hit in or about the face or head. In the video it also appears that a second unidentified staff was in the room and did not intervene or report. There were no injuries to the person supported as a result of the incident. Staff B [REDACTED] H [REDACTED] has been placed on leave.

II. Conclusion(s):

There is a preponderance of evidence to support the allegation that H [REDACTED] did strike the person supported in the face on 12/21/16 at an unknown time. This is substantiated for physical abuse.

There is a preponderance to support an allegation of neglect by H [REDACTED] and S [REDACTED] for failing to report the incident of abuse when H [REDACTED] struck the person supported on or about 12/21/16. This is substantiated for supervision neglect.

The conclusion(s) is based on the authority of the DIDD Provider Manual, Chapter 7, for Community Providers or Private ICFs/IID.
