NARRATIVE

On Nov 27, 2017 at approximately 08:30 am I was informed by the principal at the high school Mrs Deidre Helton that the principal at Swiss Elementary Jamie Ruehling had called her with a concern about a report he got from one of his students grandparents. Mr Ruehling informed Mrs Helton that Mr Herbie Hackworth said he and his wife received a text from their grandson mother, Mrs Casey Anderson. The text stated that Mrs Casey Anderson was not sending her son to school because she had concerns about a gun being at the school tomorrow. After receiving the information the Director of Schools, Mrs Jessie Kinsey placed all of the schools on soft lock down. The Grundy County Sheriff's Office completed a search of all the schools which came up clean (with no gun) and the soft lock down was lifted. The school's returned to regular schedule. After being interviewed by Sgt Larry Sims and Chief Tony Bean. Mrs Casey Anderson stated that some of her family and her had talked about school shootings. Like the New York shooting and some other school shootings. Then she stated that husband had came in and stated he couldn't find his handgun. Mrs Anderson stated she went to sleep and woke up from a nightmare and text a message to Mr Hackworth. The text was about her nightmare and she stated wasn't sure she was totally awake but did at her own admission stated that she did send a text message concerning a gun being at the school. Mrs Casey Anderson is being charged with false reports. This happened in Grundy County, TN
