RE: Bankable Holdings, LLC d/b/a Bella Vita Restaurant, d/b/a Coyote Jacks Saloon Beer Permit

Dear Ms. Taylor and Mr. Berke:

The City of Chattanooga (the "City") has learned that Bankable Holdings, LLC has been dissolved by the State of Tennessee as of July 24, 2019. As you know, the Beer Permit issued by the City for alcoholic beverage sales at 1400 Cowart Street, Chattanooga, TN 37408-1113 was issued to Bankable Holdings, LLC, not to the members of the company individually. Pursuant to City Code Section 5-80, such permits are not transferrable

Given the revocation and inactive status of Bankable Holdings, LLC, there currently exists no valid permit for the sale of alcoholic beverages at 1400 Cowart Street, Chattanooga, TN 37408-1113.

You are hereby advised that until proof of Bankable Holdings, LLC's good standing with the State of Tennessee, and ability to do business in Tennessee, is provided to the City, the sale of alcoholic beverages at 1400 Cowart Street, Chattanooga, TN 37408-1113 is strictly prohibited. Any violation of this prohibition will result in action based upon all legal remedies available to the City, whether civil or criminal.

Sincerely,

PHILLIP A. NOBLETT  
City Attorney
