Art the Mouse

Color and learn about portraits with Art the Mouse.

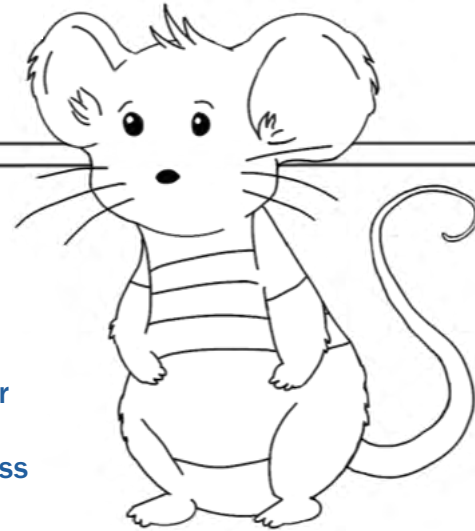

Hi, it's Art again.
Today I went on a tour
at the museum.

Art the Mouse

These are some portraits I saw on the tour. Portraits are drawings, photographs, or paintings of people.

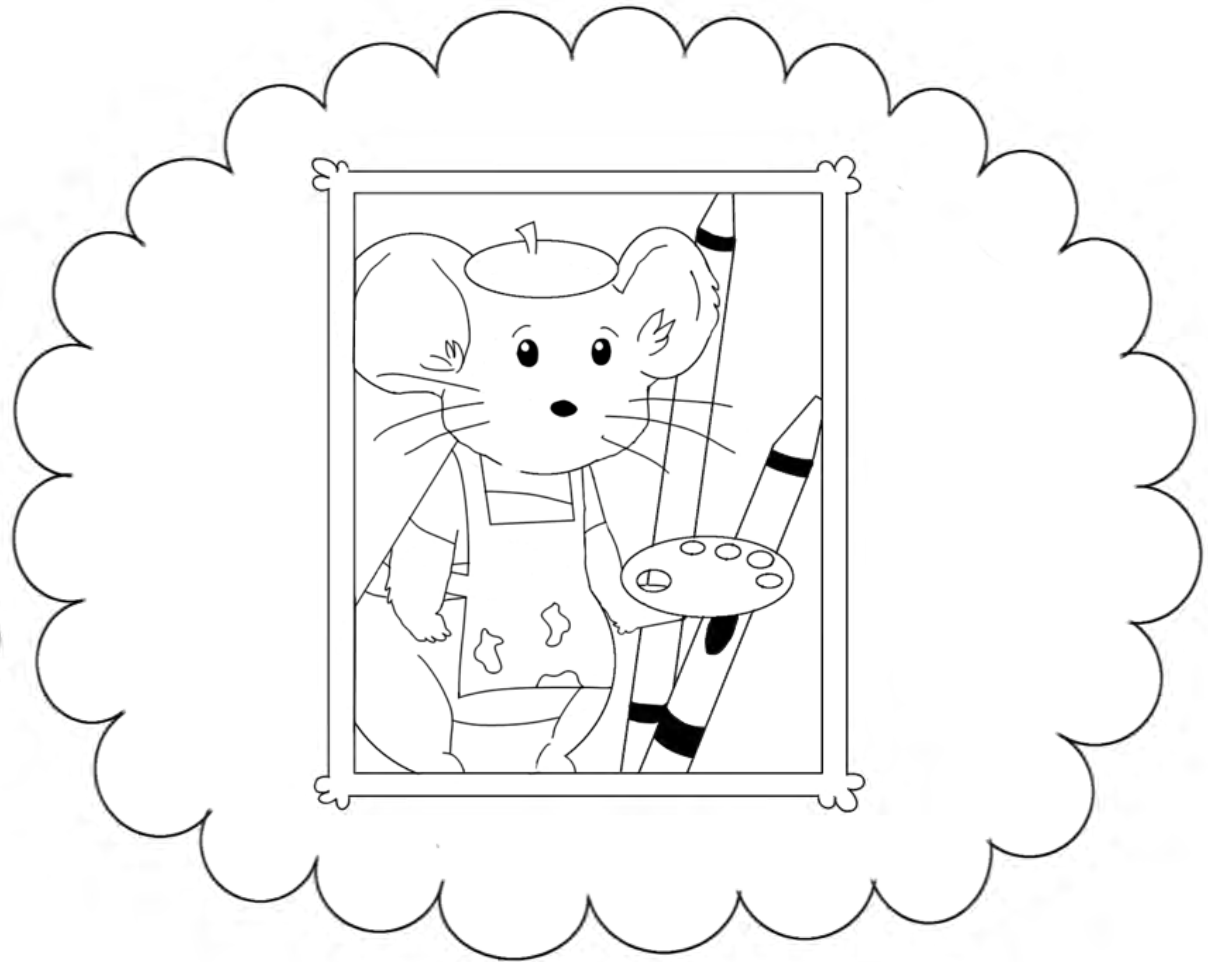

You can learn a lot about a person from their portrait. You can guess how they are feeling or what they are thinking. What can you guess about the people in these portraits?

When an artist creates a portrait of themselves, it is called a self-portrait. This is my self-portrait. It is me as a famous artist. I like to imagine my self-portrait will be in a museum one day.

What would your portrait look like? You can draw your own self-portrait here. You can even dress up in your portrait like I did.
